# Tomato Based Sauces

## Give Them Vine-Ripened Flavor

Your sauces are only as good as the raw ingredients. That's why we start with the best California has to offer. We'll match a popular, existing sauce, create a regional favorite or get really creative with a mixture of new world flavors. And we specialize in clean label sauces with no preservatives or artificial flavors.

Take a look at the sampling of flavors below to get some ideas for a new menu item that can be customized for you.

### Pizza & Marinara Sauces

- Arrabiata
- Fire Roasted Tomato
- Pomodoro
- Roasted Garlic Marinara
- Spicy Tomato
- Sweet Tomato Basil

### Salsas

- Anaheim Chile
- Fire Roasted Salsa Verde
- Mango
- Roasted Corn & Black Bean
- Salsa Roja
- Smoky Jalapeno Tomato

We start with the finest 100% California vine-ripened tomatoes harvested at the peak of freshness and lock in their sweet goodness, offering both All-Season Fresh Process™ and Packed-in-Season options.

## Pick Your Perfect Package

- Pouches from 4 oz. to 160 oz.

## Get The Right Sauce Right Away

The resources and experience of our Signature Sauce Creation Center ensures you get the flavor profile you're looking for. You can be assured you'll have great flavor, quality and consistency at every location.
