# Custom BBQ Sauces

## Tailored For A Competitive Edge

At Paradise, we specialize in custom sauces that are craveable and on-trend. Our unique, customized approach can help you increase sales, guarantee quality, boost your efficiency and maximize profitability with:

- Fully finished sauces
- Speed scratch recipes
- Dependable quality and consistency across every location
- Labor and cost savings
- Big savings vs. brand name sauces
- Ways to enhance your company's sustainability efforts

## Add Authentic Flavor To Your Menu

A great, custom BBQ sauce can really put you on the map. When you add a local or regional BBQ sauce to your menu, your customers will love you for it. From traditional favorites to sweet heat and new, on-trend flavors, BBQ sauces can give any menu item a little extra kick. Enticing possibilities include:

- **Bourbon BBQ**
- **Kansas City Style**
- **Memphis Style**
- **Carolina Mustard**
- **Korean BBQ**
- **Texas Style**

## Pick Your Perfect Package

- **Pouches from 4 oz. to 160 oz.**

## Get The Right Sauce Right Away

The sauce crafters at Paradise have the experience and resources to help you quickly develop flavors your regulars and first-timers will both love.

You can count on our **Signature Sauce Creation Center** to understand your needs and create a custom sauce that adds excitement to your menu and greater sales to your bottom line.
