Signature Sauce. Signature Service.

Custom Tomato Based Sauces

Leverage The Custom Advantage

With a custom sauce you are assured that fresh flavor, top quality and consistency will be there every time, from location to location. We specialize in shelf stable, all natural, clean label products formulated to meet your specific needs without compromise.

Our custom sauces packed in pouches can save you labor, space and time. With a 25 year track record of winning sauces for the nation's top chains, you can be sure we have the expertise to help you protect the integrity of your current sauce flavors and take advantage of upcoming trends with new sauce ideas.

Give Them Vine-Ripened Flavor

Paradise starts with the finest 100% California vine-ripened tomatoes and we process them within just hours of their harvest, locking in their fresh, deeply sweet flavor. We can offer you both All-Season Fresh Process™ and Packed-in-Season options.
